We can do it anywhere
I can love you in the shower, both of our bodies drippin' wet
On the patio, we can make a night you won't forget
On the kitchen floor, as I softly pull your hair
We can do it anywhere, anywhere

Again the bell rang and Munck was called for. This time, Munck wrote, the couple was in the wrong position, "because he will not rest on his arms, but rather places his whole weight on the Queen's body." Munck found that he was compelled to practice a "hands on approach" and had to move both the King and the Queen with his hands.

sad but lol.

*I don't wanna go home
Shall we drive from zone to zone?
I wouldn't do this on my own
But I'm not on my own tonight*

*Oh, you're going to New York?
I'm going there
Why don't I come with you?
Oh, you've changed to L.A.?
I'm going there, I can go there, too*

Have the receiving partner stand against the wall facing out, with one leg firmly planted down and one leg able to move. The penetrating partner then can face the receiving partner, pushing them into the wall (in a consensual, gentle, and sexy way!), and helping their partner's other leg around their back or another surface. Having one leg up and one leg down will allow deeper penetration into the receiving partner, and will maximize sensation for both.

[standing wall2.webp]

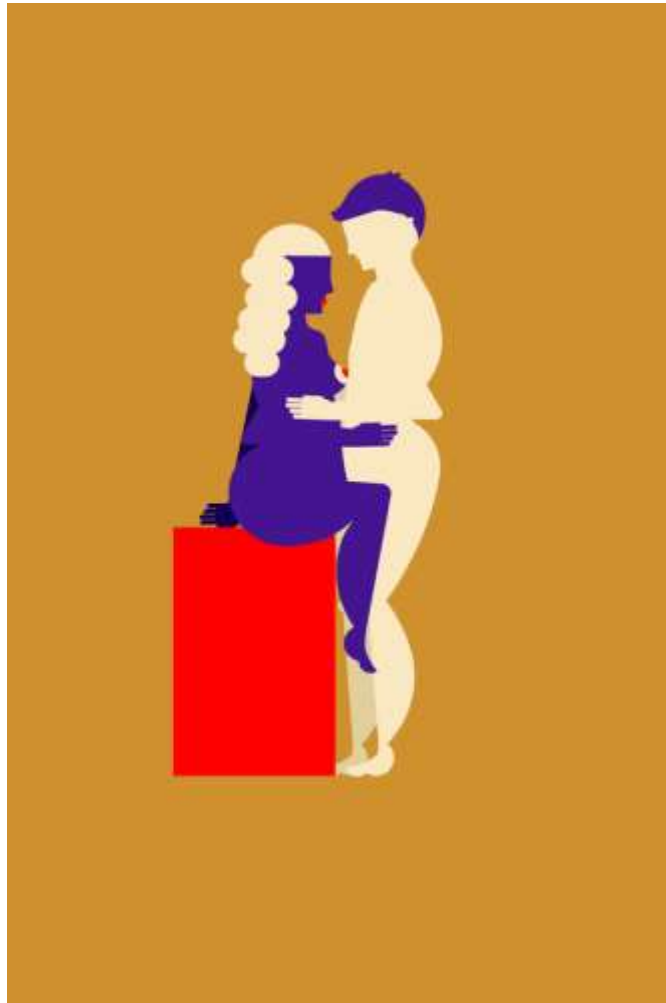

Almost, but still not quite. You need to be facing parallel with the wall while I lean on you, facing the wall.

MMYYKK - Na Boca Do Sol [Interpretation] (Self-Produced)
<https://soundcloud.com/blackjon66/mmyykk-na-boca-do-sol>

What are we doing apart?
Not necessarily physically
But spiritually, aesthetically,...
...Love-actually?

Intellectually...
...I know that no one is an infinite fount
of anything
and still I wanna mine it all:
mine you for YOU;
Take YOU and preserve YOU for the ages.

And you're allowed to change:
you're human.

And maybe this spark doesn't last even 2 more weeks, huh?
And what a 2 weeks it'd be, huh.

Though one question I still hear
What twist of fate has brought us
To roads that run so near?*

The lifelight burns inside me

To sing with you this song
To sing to you your song*
