*It will take the world and so much more
To take your love from me
And even when it wouldn't be enough
Because you're the world
Can't you see, to me*

https://www.youtube.com/watch?v=pDXo4_ehRzc&list=PL2iM7JvGrAzraqxdL5Ej-pdvJ0IoZ5S_J&index=1

It'll take the world

*Oh I know
I know I was wrong
With you I belong
If our love is gone
How can i carry on ?
I'm so alone with out u to hold
Won't you come home*

<https://youtu.be/4juoPhg2Q8s?t=167>

If I

*I know you're thinking you're the bomb and your game is tight
And usually I'd give you props, but not tonight
And I know you're thinking this really don't concern me
But I'll tell you what, you're messing with my family
At the club, at the show, at the mall, we know
The look on your face said it all
Raising your voice ain't something you wanna do
But we can take it there, girl, if you want to*

https://youtu.be/_smDeBAQuv0?t=67

I'm Leaving

*You had the longest day
For whatever reason and I
I understand so let's kiss
And let's hug and let's touch
Like only we can*

<https://youtu.be/jsbbhEs18Dk?t=50>

Go Upstairs

*Please pack your bags
and come on back
cuz now I realize that I'm in love with
you.*

<https://youtu.be/7TbvhcucN0M?t=233>

I Didn't Realize

*Here I stand, the invisible man
You don't even see
What you do me oh
Don't you see me standing here
Or have I disappeared?
I might as well not even be here.....at all*

Chaines Turns a la ballet

*Know you know you got it bad when you're stuck in the house
You don't wanna have fun, it's all you think about
You got it bad when you're out with someone
But you keep on thinking 'bout somebody else*

<https://youtu.be/o3IWTfcks4k>

U got it bad by Usher

*Even though I love her so
She got love for me
But she still belongs to someone else
And I wish I never met her at all*

Carl Thomas - I Wish (Official Music Video)

*Touching you, holding you
Is all I really wanna do
Day and night I just can't get enough*

<https://youtu.be/VFNtwDEFkwY?t=55>

Giving You All My Love

*It was cold the way you left
Still the pain is in my chest
Because in my heart I felt you should've came and talked to me
If you put away your pride
And look deep into my eyes
It would've been to your surprise
That I got up to apologize
But you were gone*

Woke up in the Morning by Carl Thomas

*No notice, no letter, you just packed your shit and left
Girl, I deserved better, I treated you like no one else
How could you? You know I loved you and I thought this love was true
Now we're through, what I'm gonna do?
Gotta start a new life without you
Now we're through, what to do?
Gotta start a new life without you*

Bilal - When Will You Call

*As we stare from across the room
Starting to ponder what we've been going through
What does my kiss mean to you?
Are we just friends or is this more to you?*

But if we label this, just picture what we might lose

Love Poems by Bilal

*Is it just that you're the finest little thing that I ever saw
Or is my imagination runnin' too far
Or is it that my eyes are tellin' me something you could never see
Somethin' like me being with you
and you being with me*

*Ooh-wee baby you've redefined my vision of love it seems
Your love be the cherry in my chocolate covered dreams
So it seems my oh my
Me and those dreamin' eyes of mine (oh)*

Me And Those Dreamin' Eyes Of Mine by Bilal

*When we get by, we'll make it by, when we get by with love
I look in your eyes, I look in your eyes
They're pretty as the skies above*
