The Written Word

Its a good story. About a boy lusting after his after-school teacher. Then one day his grades stop improving and she promises him pussy if he comes first in class (tee-hee).

And that scene where they're having sex in the cinema, and some rando kinna joins them without their noticing: priceless 😏

You fuckers think YOUR lives suck?

>Be me

>Be 11, realise I am a faggot

>Fuck

>Live in a backwards-ass tiny redneck Eurofag town, would get kicked out if anyone found out

>Pull up this ridiculous macho-persona, get really into sports and hunting and shit

>Turns out my hunting buddy is gay too

>Forbiddenlove.jpg

>Be 25, tall and into sports, so bitches go after me left and right

>Have to find an excuse to turn all of them down

>Find this nerdy freak bitch who hates me

>Start hitting on her really badly, she obviously turns me down

>my beard hates me, idgaf

>Then the bitch suddenly isn't around anymore

>Turns out she's gotten this crazy-ass abusive boyfriend who won't let her leave the house

>The cops can't do shit, everyone looks at me like I'm supposed to do something about it

>Gotta pull the macho face, get some friends, including my hunting buddy, and walk up to the boyfriend's house

>The bitch pulls some stockholm syndrome loony shit about how we don't understand their love

>The boyfriend is fucking insane

>Things get heated and I end up stabbing the boyfriend, who shoves me off the building

>The love of my life watches as I fall to my death

>mfw nobody's still as slick as Gaston

This is pure porn, not real at all, but my oh my...your gf gets you another girl for a threesome? Heaven.

Tell me about it.
>went to the store on Thursday
>bought a half gallon jar of pickles
>love me some pickles
>eat one as soon as I get home
>tastesgoodman.bat
>so good I decide I'll have a few more
>walk back to my computer and start to work but the urge is not sated
>not by a long shot
>come back to life-giving pickle jar several more time
>eat several pickles each time
>after an hour the jar is empty
>400% of my daily sodium never tasted so good
>thirty minutes later I hear a churning in my stomach
>not a light rumbling, sounds like the noise an old tub makes when you suddenly pull the drain
>initiate sprint to bathroom mode
>barely get my ass on the toilet as a fucking waterfall emerges from my asshole
>never in my life have relief and horror been such close bedfellows
>after about ten seconds of continuous flow it subsides to a trickle and stops
>toilet water is green and smells like vinegar
>body didn't even try to digest that shit
>clean up and go back to computer
>thinking "thank god that's over"
>Not. Even. Close.
>five minutes later the rumbling is back
>even louder this time
>sprint to bathroom, lather, rinse, repeat
>this happens five more fucking times
>it's finally all gone
>stomach is concave; I have never had less food inside my body
>completely cleaned out
>cue rumble
>sit on toilet but it's different this time
>I KNOW there's nothing in there
>shit out a tiny amount of liquid, immediately feel better
>"well I guess there was just a tiny bit left, that wasn't so ba-"
>all at once the burning fire of a thousand young suns sets upon my anal sphincter
>I had just shat out pure stomach acid
>frantically wipe at my ass to prevent it from melting away like the spaceship floor in Alien
>craw in shower, turn cold water on full blast, and lie prone while gently sobbing
>eventually towel off and crawl exhausted into bed at 3:00 in the afternoon
>sleep for fourteen hours
In retrospect, it was all totally worth it.
I love me some pickles.

>Okay, so be me a few years ago, can't complain about life.
>perfect girl, a small home we can call our own, make enough that we don't have to worry much about money.
>every so often she likes to surprise me with random kinky shit right, costumes, toys, bondage, etc.
>notgonnalleshitwascash.gif
>Take her out for a nice dinner one night, just having a few drinks some good food.
>half way through she is already starting up her dirty talk, about a surprise she had waiting for us at home.
>every now and then running her heels over the erect penis beneath the table.
>Diamonds.jpg
>okay so dinner done, we're both about 5 drinks in and feeling good, she decides she can't wait to get home and gets the dessert to go.
>order a cab while she hits the washroom, get our coats and leave.
>riding in the backseat of some cabbies minivan, her licking and nibbling at my ear, grabbing at the penis pressed against the pants, sloppy drunk chicks are the best aren't they?
>Guy driving is trying to make small talk butt fuck him right? she's already on her knees on that dirty ass floor, pants unzipped and my dick in her hand.
>enjoying the feels, head back, the default bj position, just let her go to town working it and talking dirty, every so often catch the driver looking back in the rear view and just shoot him a grin.
>taxicabconfessions.webm
>Only about 10 minutes into the ride, dick out for harambe and most likely gonna die in wreck, when suddenly feel a chill run over my deek.
>now picture this, us in the far back seat, her stuffed down on her knees on the floor, covering my dick with our tiramisu and then licking it clean.
>Tiramisu, makeup, and cock smearing all across her face, and thanks to the nice buzz we have going her dirty talking has gone up a few decibels.
>hhnnnggg.png
>enjoying the backseat bj and doing my best not to let loose the flood gates before we get home

will continue if anons interested

>Fuck i loved her, so anyways we about 10 minutes from the house, cab filled with a silent driver, sloppy sucking, and some overly lewd talk, good times.
>"look me in the eyes while you fuck my face in this dirty cab"
>"open up that slutty mouth and eat your dessert you kinky bitch"
>often our dirty talk even goes as far as to taunt the driver and the other fun things you say to rub your sex life in others faces.
>ready to bust when she just pulls me out of her mouth with that wet pop and just grabs my balls and grips the base tight as fuck.
>Enjoy it but god damn she has a death grip on me and no way she is gonna let me blast her in the face yet.
>vehicle finally comes to a stop, made it back alive somehow, driver tells us it would only be 12 bucks for the ride, look at fare total was somewhere around 30.
>exiting the van her keeping a tight grip on the dick leading me out like it's a fucking leash, toss the driver 15 on the way out, 3 bucks for the mess of tiramisu and spit left on the seat.
>reach the door fumbling for the keys while she's teasing me and playing with the my balls on our doorstep, trying to be discrete but you know how it goes when your drunk, it's still obvious to everyone.
>"your gonna love your surprise baby, can't wait for you to see it"
>benis won't be able to take much more of this, get the door opened, pulled into the house before she pushes me back onto the couch.
>orders me to stay put while she get's changed and ready, even nice enough to grab me a beer before heading to the room.
>drinking my beer, taking a breather and trying to figure out what sort of surprise she had in mind, since it could be fucking anything.
>yiffy suits, dragon dildos, a horse suspended by an intricate system of ropes and pulleys accompanied by a marching band, who the fuck knows.
>Waiting about 20 mins now and starting to get that anxious feeling as well as reaching the end of my second beer.

typing up the last of it now

>all of a sudden start hear moaning coming from our bedroom down the hall and hear her call out "I'm ready"
>love her but i swear to god if theres a dude in there fucking her i'm killing them both.
>keep my cool as i set my beer down, stand up and make my way towards that door and whatever hides behind it.
>There is probably no greater moment of happiness and relief in my life than when i opened that door and saw what she had in store.
>her standing there in a slutty latex outfit and heels, looking up at me while she was bent over some bitch she had tied down to the bed in a matching outfit.
>everythinginmylifewasleadingtothismoment heaven
>Didn't know who the chick was but later found out it was an old highschool friend of her's
>i guess she was talking to her for a few weeks before to plan the whole surprise, anyways
>not even 5 seconds into my pants hitting the floor before i was climbing onto that bed and pressing her face into her friends ass
>ok so to set the scene, two bitches in matching skimpy outfits, one tied to the bed, the other spreading her out and tongue forced into her asshole getting it ready for the penis that would be penetrating it soon
>so before i can even spit in her face she pulls her tongue from that fartbox grabs my dick with that kungfu grip and looks me straight in the eyes as she says
>"are you ready to fuck this cum slut baby?"
>ultimately the answer was yes (of course), simply give her a nod more focused on my dick pulsing in her hand than speaking, she finally let's go.
>reaching up she grabs my hair and whispers in my ear "yfw you read the first letter of every line." and i instantly came buckets

Cars doing cool shit, too: so cool. Can't find the original song of this video.

This one's random cuz I overheard it while stopped at a light. That feel when he tries to do something nice for his girl but she's too busy and tells him not to bug her.
