How does one say, “Bitch, you’re poor” without offending?

Girls Girls Girls by Mischief

I'm a diamond-in-the-rough.
It costs money to pull rank on you, and
I'd rather spend that money on having fun...

...with YOU <3

*I got this black chick, she don't know how to act
Always talkin' out her neck, makin' her fingers snap
She like, "Listen Jigga Man, I don't care if you rap
You better R-E-S-P-E-C-T me"*

...

*I got this African chick with Eddie Murphy on her skull
She like, "Jigga Man, why you treat me like animal?"
I'm like excuse me Ms. Fufu, but when I met your ass
You was dead broke and naked, and now you want half?*

The screenshot shows the Amazon GoTags customization page for a stainless steel pet ID tag. The page is titled "Customization options" and displays the product name "GoTags Stainless Steel Pet ID Tags, Personalized Dog Tags and Cat Tags, up to 8 Lines of Custom Text, Engraved on Both Sides, in Bone, Round, Heart, Bow Tie and More" with a price of \$7.95. The quantity is set to 1. There are "Add to Cart" and "Add to List" buttons.

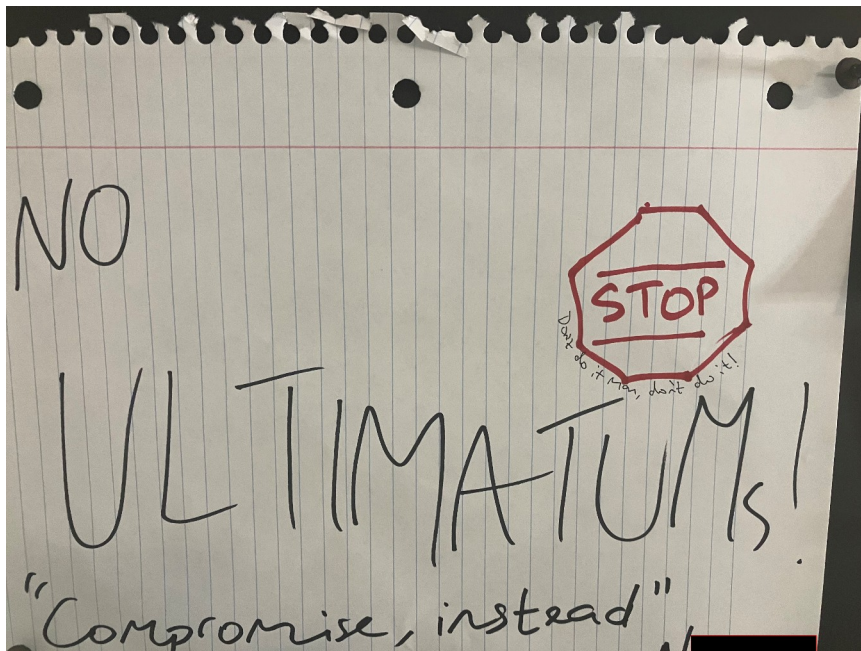

On the left, a preview of the tag is shown with the text "SOPHIE 509-754-2760" and "4ameditation". A red arrow points to the text boxes on the right. The text boxes are labeled "Line 1" through "Line 4".

On the right, the "Tag Front" section shows the text input fields for the front of the tag. The text "4ameditation" is entered in the "Front Text Line 1" field. The "Front Text Line 2 (Optional)" field contains "iexpected2muchfromu". The "Front Text Line 3 (Optional)" and "Front Text Line 4 (Optional)" fields are empty. A "Continue" button is at the bottom.

Below the preview, a note states: "For backside engraving select the backside surface below. Add text to the back of tag before adding to your cart; otherwise, leave blank and 'Add to Cart' now." A red arrow points to the "Add to Cart" button.

Wish I know this, sometimes.

From the prologue of Blindsight by Peter Watts

<https://rifiers.com/real/Blindsight.htm>

Being a smart serial-killer sucks, a lot.
I can't trust anyone, theoretically,
not even myself.

Practically, there's ways to survive with other people
And they involve living with the threat of
violence to my body
at any minute.

Nujabes - Luv(sic) [ft. Shing02] ALL PARTS (1-6)
<https://www.youtube.com/watch?v=wGfguhnvECc>

[we're at that point in the hexaology, around 24:30 where the mix moves from part 5 to part 6. Those open/vowel vocalizing in the background...All the way to the applause at the end 😊.]

Interlude

[that scene around 55 minutes in where the serial killer is betrayed by the woman who loves him.]

Somebody (TV series, 2022) episode 8 (the final episode)

[https://en.wikipedia.org/wiki/Somebody_\(TV_series\)](https://en.wikipedia.org/wiki/Somebody_(TV_series))

The shaman was hot: that bob-haircut, midriff-showing, “chrome” exterior.

The developer was cute: that inward-slanted chin and face.

The policewoman/wheelchair-girl was annoying cuz she was dumb.

I like the vocalizing of "like a like a like a..." in the background

Outkast - GhettoMusick (Official Video)

Love it when the song switches tempo when his girls are pleased to see him.

17. Sorrow – Siren’s Echo]

It’d be nice to be introduced to other cool girls
That way I can meet new girls who are not a threat to you.

[19. Four Tet – I'm On Fire]

[Egon_Schiele_Kniendes Mädchen, auf beide Ellenbogen gestützt but with butt on knees.jpg]

I'm like this but with my butt on my knees...

...and you have to promise to be gentle...

...And say sorry if you hurt me
Even if I don't ask for an apology

Cuz its not about whether you need to do THAT
Its about whether you can do IT in a less hurtful way.
